

ULTIMADESINGLE

Single Extension Wooden Drawer Slide

samet

Ultimade Slide Single Extension Wooden Drawer Slide

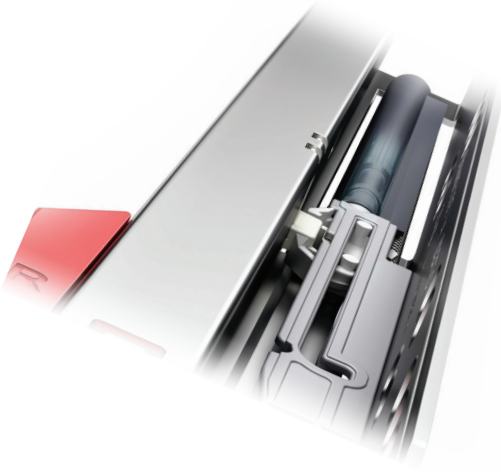

- ULTIMADE SLIDE Drawer Systems, which enable custom design applications, offers excellent mobility and exceed expectations for lightweight solutions.
- ULTIMADE SLIDE's integrated oil braking system adds elegance to the soft closing action.

Adaptive Braking Mechanism

Ultimade Slide Drawer Systems state-of-art adaptive braking mechanism, gives drawers an excellent soft closing action.

Thanks to the superior SAMET technology, the light and quiet opening action combined with smooth running movement, maximizes the comfort of drawer use.

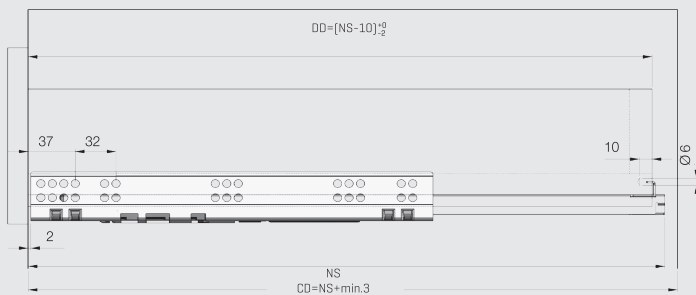

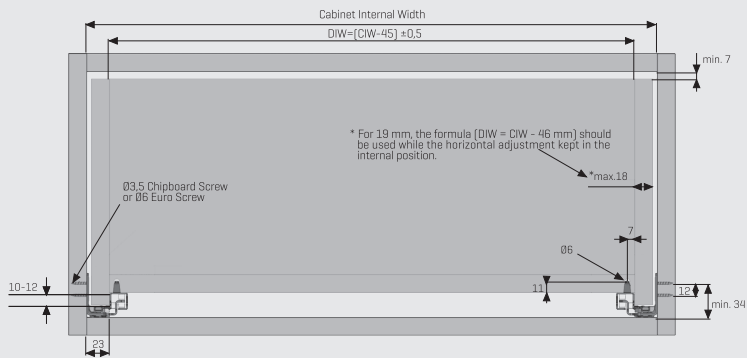

SmartLock Loking System

The SmartLock locking system provides easy mounting and safety, as well as tool-free adjustment ensures precise finishing touches.
