Smart Slide Single and Full Extension Options

Smart Slide Drawer Systems meet expectations for advanced design creation with full and single extension options, which are developed with the purpose of meeting various design needs.

How many different ways could there be to open a Smart Slide drawer ?

Soft Close Version

The new integrated soft close system ensures gentle and quiet closing. Thanks to adaptive soft close technology, drawers can be closed softly with same smooth closing effect even if you change the load inside the drawer.

Push - Open Version

Smart Slide Drawer Systems "Push Open" function simplifies the use of non-handle drawers with a single touch movement.

Push - Open Soft Close Version

Now the Smart Slide generation is integrated into the Soft-Close and Push-Open system at the same time. With this feature the drawer is upgraded to a very high quality and sophisticated design for the interior design world.

Smooth and Silent Movement

Smart Slide Full is engineered to be functional for any drawers.

Smart Slide Full extension allows you freedom in furniture design such as Day & Night furniture's, bathroom cabinet and also kitchen applications.

Due to special production method with low tolerances, Smart Slide Full operates smooth and effortlessly all the time.

Nonstop Synchronization, provided by silicone wheel, ensures smooth and silent running action with lifetime durability.

Lock-Fix and Pin-Fix Mechanism Options

Lock-Fix mechanism was especially designed for the quick and flexible installation process of Smart Slide Drawer Systems. “Pin-Fix System” was particularly developed for industrial furniture producers to ensure ease and safety during installation.

With wide drawer size alternatives within a range of 250 mm to 600 mm, different requirements can be met, which ensures different solutions during furniture production. The possibility to lock as tight as desired ensures safety during drawer utilization.

Drawer and Cabinet Dimensions S-C

Lock - Fix Drilling Holes

Drawer and Cabinet Dimensions P-0

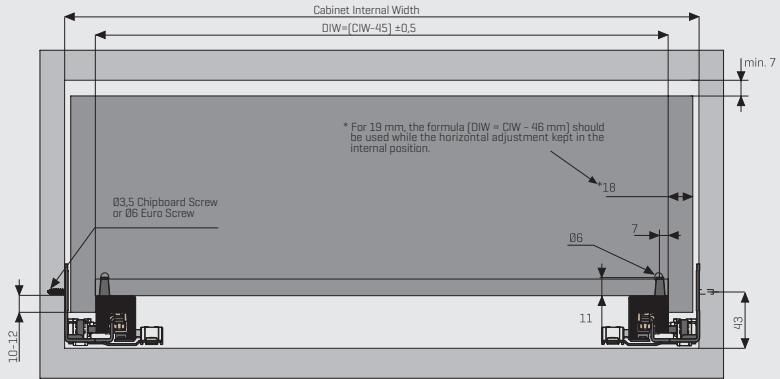

Pin - Fix Drilling Holes

Nominal Length NL (mm)	Drawer Depth a (mm)	Pin b (mm)	Safety Pin c (mm)
250	240	221	201
300	290	271	251
350	340	321	301
400	390	371	351
450	440	421	401
500	490	471	451
550	540	521	501
600	590	571	551

Drawer and Cabinet Dimensions P-0 & S-C

Screw Location for the Slides

Screw the slide from marked holes.
