Undermount Slide Systems

Ultimade Single Wooden Drawer Slide

ULTIMADE SINGLE Drawer Systems, which enable custom design applications, offers excellent mobility and exceed expectations for lightweight solutions. This single extension drawer slide is ideal for minor storage needs. ULTIMADE SINGLE's integrated adaptive oil braking system adds elegance to the soft closing action.

Adaptive Braking Mechanism

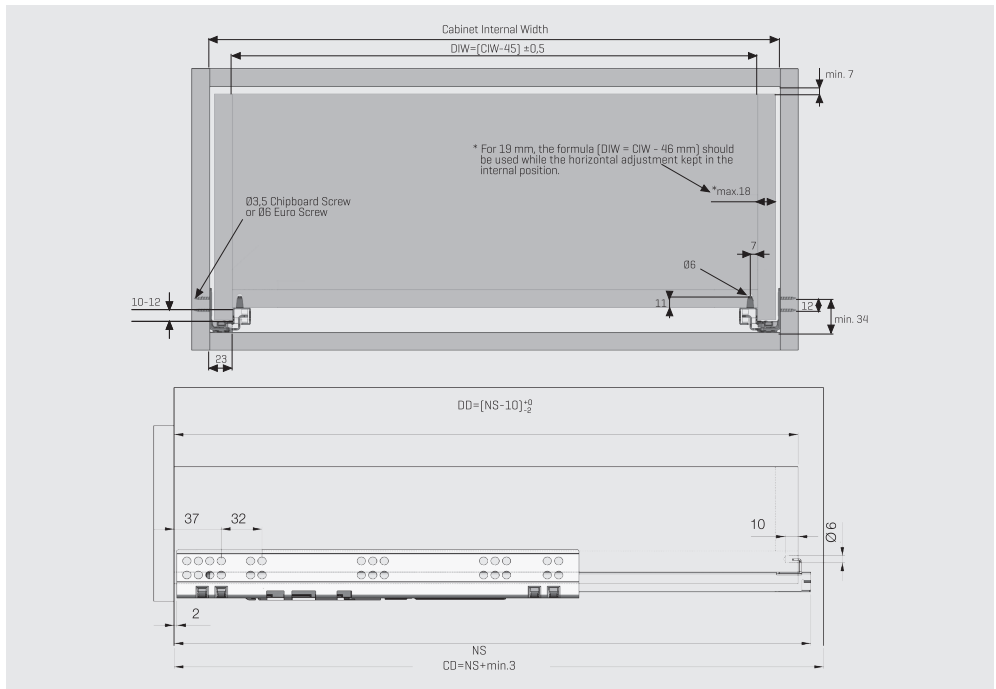

The new integrated soft close system ensures gentle and quiet closing. Thanks to adaptive soft close technology, drawers can be closed softly with same smooth closing effect even if you change the load inside the drawer.

SmartLock Locking System

The SmartLock locking system provides easy mounting and safety, as well as tool-free adjustment ensures precise finishing touches.
